Introduction

At Dee's Day Nursery our aim is to provide finest quality of care for our children in a homely, safe, loving and stimulating environment to develop physically, socially and emotionally.

We provide the highest standards of child care during the child's Pre-school years. The welcoming nature of our nursery offer parents/guardians the opportunity of becoming fully involved in life at the nursery, working together towards the 'desirable outcomes' of their children's learning.

Every parent needs to feel reassured that their child is being cared for, listened to and appreciated as an individual in a safe, caring and stimulating environment. Our qualified and dedicated staff provides this atmosphere based on a programme of social, creative and educational activities. All activities are designed, using some Montessori methods, to encourage the children to absorb knowledge through their inquiring minds and freedom to explore.

A young child's experiences can be enriched by surrounding where he or she can handle materials and equipment that convey basic educational information. An environment is created to develop social, emotional, physical and intellectual skills. We achieve this by having small group sizes which enable children to receive individual attention and develop their own pace to reach their full potential.

Pre-school education enhances the quality of childhood and understanding of later life, but must be fun and meaningful for the child.

We aim to generate security, trust and independence in our children as a foundation for life so that they may feel comfortable in any given situation and are ready to move to primary education with confidence.

ACTIVITIES, PLAY AND CURRICULUM AT THE NURSERY

Creative Development

Painting, printing, sponging, cutting, sticking, collage, sewing, junk modelling, drawing, colouring, stencilling and tracing.

Tactile and Manipulative/Messy Play

Basic science is introduced to the children through simple experiments leading to self discovery,

For example: sinking and floating with sand/water and manipulative materials such as play-dough are used within a safe environment.

Cookery

This is introduced in a safe and fun way.

Communication, Language and Literacy

We use specially designed equipment that gives the children the threefold impression, seeing, feeling and hearing. We use letter land materials to introduce phonics. This is an important step in learning to read and write. An interest in books is encouraged to develop vocabulary and language skills. Introduction to alphabet is through letter land, sand paper letters (tactile) and emotional games, together with worksheets for the older children.

Problem and Numeracy

Children are taught the basic concept of numbers and geometric shapes through specially designed equipments and their corresponding symbols, number puzzles, games, toys, sands paper numbers and worksheets for those who are ready.

Knowledge and Understanding of the World

We aim to give children to give an awareness of the world around them including different cultures and traditions. We nurture a feeling of love, respect and responsibility for each other and the natural world, during a time when children are sensitive to their environment.

Physical Development

Music and movement. This includes instruments, songs and rhymes. Outdoor activities, such as sit and ride toys, slide, see-saw, tunnel, climbing frame, playhouse and such like are available.

Sports Lesson

Sports sessions are provided by an experienced sports coach every week. The lessons are aimed to encourage children's physical development.

Personal, Social and Emotional Development

Imaginative play- 'Let's pretend play' is also an important part of the child's social and emotional development. This includes home corner, role play and dressing up, all of which help to encourage children to take care of and respect themselves.

Dance Lessons

Dance lessons are provided by an experienced Teacher for older children.

Music session

We have Music sessions conducted by an experienced teacher for the toddlers.

Free Play

Table top and floor activities such as farm animals, train tracks, toy cars, threading, puzzles, construction toys and much more. The day is structured with regular rest periods.

Baby soft Gym & Sensory Area

We have baby soft gym and sensory area set in the baby unit. Babies' and toddlers really enjoy exploring these areas. Gym area is aimed to stimulate their physical development and confidence.

ARRIVAL & DEPARTURE

Children can be dropped from 8.00am onwards for the morning session. Advance booking should be made for early start if you want to drop before 8.00am in the morning and there is a separate fee towards the early start. For security reasons children's should be accompanied into the nursery at the beginning of each day and may only be collected by those booked on the registration forms. If the booked people on the registration form cannot come due to personal reasons, the person who is coming to collect should have the password given to us by you. Changes will only be accepted in writing and the authorised person must be introduced to the nursery staff incase if there is a change. As per our policy we do not allow the staff members to collect children from the nursery at the end of the day.

ABSENCE AND SICKNESS

Please notify us at the earliest opportunity if your child is going to be absent. Children should not attend the nursery if they are suffering from a doubtful rash, high temperature, diarrhoea and sickness or an infectious illness. If your child becomes unwell during the day parents will be notified immediately. In the event of parent/guardian not being contactable the child's own GP will be called if necessary. The nursery reserves the right to take a child to hospital in an emergency, accompanied by a senior member of staff. It is the responsibility of the parent's to keep us informed of any changed in contact telephone numbers. Incase of absence of the child in the nursery because of illness or being/going on holiday those days cannot be swapped with other days which includes bank holiday as well. The fees will still remain the same even in the absence of the child in the nursery as this place is reserved for your child.

excluding the Christmas 1 week holiday, therefore the fees are calculated for 51 weeks only.

Settling-In

Our aim is to ensure that the transition from home to nursery is a happy and enjoyable experience.

We therefore, suggest a gradual introduction in the first week in order that your child becomes familiar with the surroundings and staff.

Staff

Nursery Practitioners and their assistance are allocated small groups of children. Parents can discuss regularly with the Key Worker their Childs development. Parents can receive regular progress reports concerning their child. A sheet detailing each Childs day at the nursery is completed daily-where for ex, how much sleep and food a child had, accidents and any other relevant information are all recorded.

Meals

All meals are carefully planned and are freshly prepared in the nursery kitchen to ensure a healthy and well balanced diet. Children are encouraged to develop social skills by integrating, sharing and helping each other. Parents whose children have special medical and dietary requirements need to speak to a member of staff. A menu of the week's meals is on display for parent to view.
